Supporting Law Enforcement

Local Law Enforcement Officers are safer because of you.

With your help, The Fogle Family Foundation created Benefit The Badge.

Here are just a few of the ways, your gift helped Benefit The Badge:

1. Provided the \$80,000 needed to fund Law Enforcement Week in June of 2017 & 2018.
2. Brought additional law enforcement officers and families of fallen officers to town for the week.
3. Provided an opportunity, through the tournament series, to bring people together to show their support of local law enforcement.
4. Your contribution, time, money, and in some cases all three, made it possible for officers to be equipped to do their job.
